**PRLRC Test for all retrievers: Pass/Fail - Dogs must be minimum of 6 months old**

**WC Test:** The dog will retrieve one single dead bird at approximately 50 yards on land in light cover. The dog must not be gun shy. The dog will retrieve two dead ducks from water as back-to-back singles to show willingness to reenter the water. The dog need not be steady, so a dog may be held on the line by the collar. Delivery to hand is not required, but it is suggested that the area of delivery be within easy reach of the handler. This area will be determined by the judge prior to the beginning of the test. Dogs must be at least six months of age. Immediate failure if bird boy has to help or assist dog. Popper guns, wingers and duck calls will be used. It is acceptable to encourage the dog to return via voice.

### Conformation Certificate

offered by the LRC, Inc. is a non-competitive conformation evaluation program open to all Labrador Retrievers, over one year of age, including spayed and neutered dogs. Labradors will be judged in accordance with the Standard. The Evaluation Sheet contains (8) conformation and temperament categories for a judge to consider on a numerical basis. Each dog will be scored in each category using the number (1) through (3) point system described. <https://thelabradorclub.com/events-programs/lrc-certificates-awards/conformation-certificates/>
